300 Spruce Street, First Floor  
Columbus, OH 43215

Dear Mr. Burkholder:

Congratulations on having been selected by your peers for inclusion in the 2010 edition of *The Best Lawyers in America*® in the specialty of Real Estate Law. For over a quarter of a century, *Best Lawyers*® has been regarded – by both the profession and the public – as the definitive guide to legal excellence in the United States.

Selection to *Best Lawyers* is based on an exhaustive and rigorous peer-review survey comprising more than 2.8 million confidential evaluations by the top attorneys in the country. Because no fee or purchase is required, being listed in *Best Lawyers* is considered a singular honor. Our annual, advertisement-free publication has been described by *The American Lawyer* as “the most respected referral list of attorneys in practice.”

*The Best Lawyers in America* also reaches the largest and most targeted audience of any peer-review listing in the legal profession. *Best Lawyers* lists appear regularly in *Corporate Counsel Magazine*, which reaches more than 88,000 general counsel. Excerpts from our lists also appear in *The Washington Post*, *The Los Angeles Times*, *New York Magazine*, and more than 60 other regional and city magazines, reaching more than 15 million influential readers. The *Best Lawyers* database is also now searchable on more than 350,000 Bloomberg Terminals™ worldwide.

Online, your legal specialty and contact information will be visible to all subscribers of BestLawyers.com. In addition, the 14,000 attorneys and 1,800 law firms that have linked their web pages to BestLawyers.com will be visible to all visitors to BestLawyers.com, which last year received more than 9.4 million page views.

Finally, the Best Lawyers search engine will appear on both the home page of Law.com and on USNews.com, two sites that receive millions of visitors every month. Over the next year, Best Lawyers will be preparing the latest additions to U.S. News’s famous “America’s Best” series: America’s Best Law Firms and America’s Best Law Firms to Work For.

Again, congratulations on being selected by your peers to be included in *Best Lawyers*.

Sincerely,

Steven Naifeh  
Editor-in-Chief

## DEEP LINKS

Your professional colleagues know you well enough to vote you onto our list of premier lawyers. But to millions of potential clients who come to our website every year looking for legal counsel, your practice information is not visible unless you participate in our **DEEP LINKS Program**. A **DEEP LINK** also ensures that your listing is visible on the Best Lawyers search engine that appears on **Law.com**, **USNews.com**, and dozens of other major web sites around the world, and that it is linked to your firm web page or to a customized Best Lawyers bio page.

If your firm purchases links for all its listed lawyers, a firm profile will appear in the "Firm Search" section of **BestLawyers.com**. Firms with profiles on **BestLawyers.com** are displayed on a rotating basis in the Featured Firm section of our homepage, appearing more frequently to visitors searching for lawyers in the geographic regions where your firm has offices.

Our search engine now appears as the exclusive lawyer list on **USNews.com**, the web site of *U.S. News & World Report*, which receives several million unique visitors every month.

# LAW.COM

The Best Lawyers search engine now also appears on both the home page and the Surveys and Rankings page of **Law.com**, the most important legal portal in the world, with over six million unique visitors a year.

In the last year, our site received more than 9.4 million page views. We are on track to receive between 15 and 20 million page views this year. Together, having our search engine on **USNews.com** and the home page of **Law.com** will bring tens of millions more visitors to **BestLawyers.com** next year. Only lawyers with **DEEP LINKS** will be automatically visible to all of these visitors.
